

Data Science Revision Quiz

Submission deadline : 30th January 2024

Note :

1. There are total 100 questions in the quiz, ranging from Excel, SQL, PowerBI, Python and Machine Learning
 2. If you were present in the class, join the respective group same as your breakout room
 3. If you couldnot attend the class today, you can join any the groups. Every group has participant limit of 10. So, you can try in other group if one group says participant limit reached
 4. Try to attempt it when you are done with revision and attempt all 100 questions in one go
 5. This quiz is not part of your assessment. It is a revision quiz
